**MESSAGE**

"My dear children, good evening to all. I am your Mother of Heaven and Earth, and I am here tonight because of my Son Jesus. I want to thank you for your commitment in prayers to my Son Jesus.

My dear children, conversion takes time. My Son is very patient. I want you to know that my Son is very loving and is always with you in all your trials and sufferings. He is there to comfort you. Please focus on Him. Unite with me in prayers to my Son, because He is Love. He is God of Mercy.

Please continue your prayers because I want you to know that the Lord is pleased."

**QUESTION**

... pause for a few seconds...

So I asked if Our Lady had a message for Fr. Heffernan.

**RESPONSE**

"I'm sorry my child, this is not the right time to answer your question."

**MESSAGE** (continued)

"My little ones, I understand your sufferings, but I want you to offer your sufferings to my Son, and He will give you peace and love. Please pray for my Son's church to prevent division. Be supportive of my priests, because they are suffering so much also. Thank you for being faithful to my Son.

Tonight I bestow upon you my special blessings in the name of my Son Jesus. Good night and thank you for your invitation."

Wednesday, June 7, 1995. 9:00 p.m.

**MESSAGE**

"Good evening my dear children. I am your Mother who comes this evening to wrap you in my mantle of love. Praise be my Son Jesus. Don't give up hope in Him. Be strong in your faith. Do not lose focus on God. He is your protection. The evil one is trying to destroy the love of mankind. Satan is trying to interrupt my plan, but he will not win because God exists and He is with me.

Be strong my children. Be prepared for the battle, for the battle is against God. Put on your shield of armour.

Bless you my children. I love you. Good night."

... pause for a few seconds...

Emma received a vision of the letters "J.G."

Emma asked the Blessed Mother about Precy.

**MESSAGE (continued)**

"Pray for my priests. This is urgent. Never stop praying. Tell my child Precy, "Don't be afraid for my Son is always there. For all the trials and tribulations, my Son is here to comfort."

... pause for a few seconds...

Emma received a vision of the letters "J.G." again, and then Emma wrote:

"J.G. is a man. He is chosen by our Blessed Mother and Jesus. His name is Jerry Gilmore. He is going to send something for me. I have another mission."

Wednesday, June 21, 1995. 9:00 p.m.

**MESSAGE**

"My dear children, I am the Queen Of The Holy Rosary, the leader who is guiding you in the battle against my adversary and all evil spirits wandering throughout the world. I welcome this holy rosary you are reciting with so much love and fervour. I am here with you represented by the statues you have here on the altar. Each of my statues is a sign of my presence and must be honoured and put in places of greater veneration.

My children, I am pleased with the fitting veneration given to my images. The sign of my presence that I give you is the fragrance you smell from your sister Emma. She is my beloved little child. The golden dust I shower is sometimes different colours like yellow, green, blue and red. When you see this sign, it means I am here. I am your Mother who loves you so much. Continue your prayers. Come with me to the right path. The path is my Son Jesus.

Bless you my dear children. Good night."

**Note:** *Before Emma finished writing this message, she felt pain on her chest. Her body was shaking. She said later that a very bright cross entered her body through her chest. We checked her chest and found the stigmata or the following mark on her chest (✝) which was bleeding. In addition, the wound on top of her heart was bleeding. Sparkles appeared at 11:30 p.m. on her face and later, multi-coloured sparkles appeared in her socks and were accompanied by an awe-inspiring, love-filled fragrance. Emma related that her feet did not feel the floor and that there was the sensation of floating. In the morning, the sparkles had moved from inside the socks to the outside. The Blessed Mother told Emma that she won't be with us next Wednesday night.*

I am here tonight to bring comfort and consolation to all those who are suffering from sickness and those who are overburdened.

These are my children who please me with their simplicity, their littleness, their devotion to My Son Jesus, humility and patience.

My children, I urge you to commit yourselves in prayers, for I will take you to the right way of light. Bring closer your family to my Son. Hold your brothers and sisters hands to join with me to journey. A journey to reach the Holy Mountain.

**Note:** After the message, Emma received an excruciating pain on her chest. Her body curled up from kneeling and she was moaning with pain. She put her right hand inside her shirt and tried to pull out something from her heart. A rose (fresh flower) came out. Then she reached inside again and two more roses came out. The fragrance from the flowers were so heavenly. When we checked on Emma's chest, a visible marking appeared: a small hole with a little blood and swollen area around it where the roses came out was found on Emma's chest. To this date, she received eleven roses for this month of September 1995. Tonight we were joined by Aleksandra (Buffalo, N.Y.) Edmund (Marmora) Kay (Connecticut).

## DREAM

During my sleep, I had a dream about Jesus. Jesus was wearing a white robe with a red cloak and me and other men were wearing white robe with blue cloak. I know it is me, but I felt like, I am a man. A big man. We were walking on the mountain and people were following Jesus. On top of the mountain, Jesus start preaching to a lot of people.

His Message:

"I AM THE TRUE VINE, AND YOU ARE MY BRANCHES. I AM THE BEGINNING AND I AM THE END EVEN BEFORE MAN WAS CREATED.

(speaking to Emma) YOU ARE MY BRANCH AND I ALREADY CLEANSE YOU. I GIVE YOU MY SEEDS. SOW THEM AND BE FRUITFUL. I WANT MY BRANCH TO BE STRONG, BECAUSE WIND AND STORM COMES AND BRANCHES MAY BE SWEEP AWAY AND DIED.

ON MY SECOND COMING, I AM STILL THE BEGINNING AND THE END."

Then with my head almost touching the ground, paying respect, answered Jesus, "Yes, my Lord, I will. I will Lord."

"Love Lord God

With all your spirit, and  
With all your total self..  
(Love Him completely and totally with all your attention.  
Don't let anything distract you.)  
Love everyone, like you love yourself.

**MESSAGE IN ENGLISH**

God is Love. Anyone who lives in Love lives in God. Love is made complete so that people will have confidence on the day of judgement. Remember, there is no fear in Love. Perfect Love drives out fear, because fear has to do with punishment. Those who fear are not made perfect in Love.

If you say, "I love God," and you hate your brother, your neighbour, I will tell, you are a liar. Anyone who does not love his brother, neighbour whom he has seen cannot love God, whom he has not seen. For this is the command, those who love God must love their brothers and neighbours.

Peace to you my dear friends.

## MESSAGE

"My children, I write always, don't be sinners. Anyone that talks about a sinner and teaches sinners to sin, is himself a sinner, even if he doesn't actually commit the sin. If you do not do either one of these, you are not a sinner.

Dear brothers, see the plan for us, the way to follow. Whoever talks about the Truth, he is a teacher.

Anyone who is born of God, teaches the Truth and is not a sinner and doesn't cause another to sin.

You don't just love someone because of what they say. You love him because of what he does (his actions) and because these actions come from the Truth he speaks. This is how we prophecy. From the Truth and the heart we will convince and be convinced.

Peace to you,

John"

OF ST. JOHN, THE EVANGELIST  
THROUGH VISIONARY EMMA DE GUZMAN**

Saturday, October 28, 1995. 9:00 p.m.

**EMMA'S DESCRIPTION OF ST. JOHN**

St. John appeared to me as a very young man, in his twenties. Clean face, shoulder length with a little wave brunette hair. He has oval face, skin is tan, but smooth. He is wearing a white robe with blue cloak, and he is tall. He stood in front of me while I was kneeling. I reached for his right hand and I kissed it, and that is how I felt his skin is so smooth.

**MESSAGE OF ST. JOHN**

"Little children of me, not every spirit believe ye, but prove the spirits if of God, they are because many false prophets have gone forth into the world. By this know ye the Spirit of God.

Every spirit which confesses Jesus Christ in the flesh having come of God, is. Every spirit which not confesses Jesus of God, not is, and that is the spirit of anti-Christ. Which ye have heard that it is coming and now in the world is already. Ye of God are children of me and have overcome them, because greater is the one in ye, than the one in the world.

We of God are hears us, he who is not of God hears not us. From this we know the spirit of Truth and spirit of error.

Little children of me, let us love one another, because love of God is, and everyone loving of God has been begotten and knows God. If we love one another, God in us remains, and the love of Him having been perfected in us is. By this we know that we remain in Him and He in us, because of the spirit of Him, He has given us.

Little children of me, I write these things to you with the help of the chosen lady, whom I love truly, to guard yourselves against false spirits.

May peace and grace of The Lord of us, Jesus Christ be with you."

"Good evening my dear friends. May the peace and grace be with you all from God Our Father and the Lord Jesus Christ.

I thank my God that He allowed me to come down from Heaven to be with you in these beautiful prayers. I am here tonight to encourage you my brothers and sisters to be strong in the Lord and in His Mighty power.

My dear friends, put on all the armour of God, so that you can take your stand against the evil plans. This is the time of struggle— struggles against the power of the dark world— struggles against the spiritual power of evil in the heavenly Kingdom.

My friends, stand firm and take up the shield of faith; take the helmet of salvation and the sword of spirit. Be strong my friends. Be strong in your prayers, because prayer is your armour.

I am your humble friend. Tonight I will bring your prayers and intentions to Our Father. Thank you very much. Good night."

"Grace to you and peace from God Our Father and Lord Jesus Christ. I am John, Apostle of Jesus Christ through God's will. Place in your ears these words, "God is light and within Him there is no darkness whatsoever. If we confess our sins, He is faithful and just, in forgiving our sins and in cleansing us of any injustice.

My children, I write to you that you do not sin— the end of all is approaching; therefore, behave wisely and embrace prayer. Always extend to all the love within yourselves because love makes up for a multitude of sins.

Fine Lady, those whom I love are "in the truth." I always thank God for the grace which He has given to you in Christ Jesus.

Grace to you and peace ever-expanding.

My children, the time is getting closer. Do not stop praying. I ask of you to be united. Make your hearts be one. Take away from your hearts the jealousy, anger, talking against your brothers and sisters. Instead, love them, like what my little apostle, John says, "Love one another."

The anti-Christ is already coming and he will spread filth all over the world. Be strong. Pray with all your heart and love.

My Son, Jesus Christ, is here and He is the One who will help you all.

I am your Mother of Truth. What's happening is the truth. Get rid of doubts in your hearts because this is Me. My little one is so blessed because she is obedient to my messages. Sorrows will reign for those people who cannot hear, but have ears to hear.

Be prepared at all times.

Everybody was in silent prayers for about 10 minutes when Emma's hand broke off from us and she turned around and faced the altar. She kneeled down with her hands together on her chest. **MESSAGE**

"I am your Mother Of Joy. Thank you for being here to pray together in this house of prayers. Thank you for your commitment in prayers to my Son Jesus.

I come here as your Mother Of Joy, because your hearts are one and it makes me happy, But in this house today, I can feel some of my children's sadness. Give me your sadness and I will embrace them. Offer your sad hearts to my Immaculate Heart and I will give it back to you with comfort and joy. Are you not happy I come here as your Mother of Joy and not a sorrowful Mother? Join your hearts to my Immaculate Heart and I will offer them to my Son's Most Sacred Heart. You made your commitment to say YES to my Son Jesus, and I want you, my children, to continue your YES to my beloved Son Jesus.

Blessed Mother picked up the basket containing the prayer intentions, displayed it to Emma, and said, "Today I will bring all your petitions to the Heavenly Father. I love you my children and I bless you, in the name of the Father, Son and Holy Spirit."

# THE BIRTH OF JESUS

Wednesday, December 25, 1996. 12:00 noon

**Cabanatuan City, Philippines**

Emma went into ecstasy and she witnessed the birth of Jesus in the manger. She experienced walking in the fields with the three kings. Some shepherds with animals were following the big star up in the sky.

According to Emma, the place where she ended up with the three kings was like an old run down barn where animals lived. She saw the Blessed Mother, St. Joseph and Baby Jesus encapsulated with bright light. The Blessed Mother took off her scarf from her shoulders and wrapped it around Baby Jesus. Angels were singing and the three kings offered their gifts. While the black king was pouring myrrh, he looked at Emma and smiled at her and poured some of the myrrh on Emma's hand. [At this moment we all smelled the beautiful fragrance around the room. When Emma woke up, both her hands were closed, and when she opened them up, both her hands had oil with a beautiful fragrance. Emma also received golden dust this day.]

Holy Wednesday, March 26 &  
Holy Thursday, March 27, 1997

Prayers started at 6:00 p.m. because Emma started having the passion. [A week before the Lord came to Emma in her dream and gave a message that she would be staying in the house where she is now and that He, Jesus, would be sending twelve people who would pray and feel His sufferings and then were to focus on what would be happening on Emma.

**Yesterday, Holy Wednesday, March 26, 1997**

The Blessed Mother appeared to Emma wearing purple and black and her message was:

" I want all my children to remain with me in prayers and silent meditation especially during my Son's passions. Every drop of blood you receive is very precious because it is the most precious blood of my Son Jesus. My Son allows my children to see the passion you're going through to show them how much they offended my Son by sinning. Every drop of His blood is a sword that pierces my Immaculate Heart. Do not fear. During your suffering, my Son is in you and you are with Him. I will be at your side with my Beloved John at the foot of the cross.

I love you very much my little child. Good night."

We had a 15 to 20 minute break and then prayers started again. We recited the Rosary, the Chaplet of Divine Mercy and the Chaplet of Sinners.

**10:00 a.m. Good Friday, March 28, 1997**

St. John, The Evangelist, appeared to Emma and he asked Emma for the Crown of Thorns. Emma, as we could see from her actions, took the crown off her head and handed the crown to St. John. Then a beautiful smile came on Emma's face— feeling so much relief, she shook her head gently.

The Blessed Mother was with St. John, The Apostle, and she told Emma, "Every scourge you got on your back saves many lost souls. The blood on your right hand is a gift of grace."

The Blessed Mother also said, "Tell my children they represent St. John at the foot of the cross." (Like St. John who never left Jesus, we remained in prayer with Emma for the whole passion.)

Emma felt the graces from her back so we all touched it. I kissed it and we put our religious articles on her wounds. The fragrance was so beautiful.

Just before 12:30 p.m., Emma fell into a deep sleep and experienced an ecstasy. During her ecstasy, while walking towards the river, she picked up a stone along the side of the road. At 12:30 p.m. she awoke and opened her hand to find a beautiful gleaming stone about 1.5 by 2 inches in size.

At 3:00 p.m. we recited the Chaplet of Divine Mercy with offerings.

# MIRACLE OF THE EUCHARIST

Started April 23, 1997 at Sol & Emma's residence during La Pieta prayer meeting. A bleeding host appeared on Emma's tongue at approximately 8:20 p.m. During the whole prayer meeting, Emma received a total of 6 hosts. The last one appeared at 11:03 p.m. and only the first one was bleeding.

## **April 24, 1997**

St. Mary's Cathedral, outside St. James Chapel, after the 5:15 p.m. mass, Pat Brady witnessed the Miracle of the Host on Emma's tongue while Emma started her car, getting ready to go home. A fresh and crisp Eucharist appeared on Emma's tongue at approximately 5:45 p.m.

## **April 25, 1997**

At Sol & Emma's residence, Sol found a bleeding host in front of the altar at approximately 12:30 p.m. It was placed in the monstrance.

## **April 25, 1997 (same day)**

At St. Joseph's Church in Kingston, Emma received communion from Fr. O'Connor at 5:25 p.m. When she came to her pew, the host on her tongue disappeared or was consumed without her swallowing. (Witnessed by Sol). At 5:35 p.m. a large host, fresh and crisp, appeared on Emma's tongue. Pat Brady and Sol witnessed this miracle and a photograph was taken. A few seconds later, without swallowing the host, Emma opened her mouth again and a smaller host appeared on top of the big host and again a photograph was taken.

**2:30 p.m.**

The miracle of the bleeding host appeared on Emma's tongue. This was witnessed by many people. After a minute or two, Emma consumed the host and Emma opened her mouth again to show us if the host had been consumed and I said, "Yes, because it is gone."

A minute later, another bleeding host appeared on Emma's tongue, and this time she cried so hard because she doesn't understand why it is happening, but all she felt that time was Love.

**April 29, 1997**

At 8:00 a.m. Emma meditated in front of the altar and Padre Pio appeared to Emma and heard her confessions. She was crying and at 8:10 a.m. I witnessed Emma's action as if someone was giving a communion. She opened her mouth and her head moved a little forward to receive the host. Then I looked at Emma's mouth while it was open and I saw a host almost covered with blood. Then Emma consumed the Eucharist.

At 8:15 a.m. she joined me for breakfast and we were talking about the angels and their works.

At 8:30 a.m. Emma and I went back in front of the altar and she uncovered the monstrance with the host (with blood) and we both almost fainted when we saw the Eucharist— a new and larger host appeared on top of the first host and this time, the host was all covered with fresh blood

Father Sebastian of New Jersey came around 6:00 p.m. with company. After prayers, Fr. Sebastian opened the monstrance and took the bleeding host and gave it to me to be consumed.

For Emma:

"My child, my Son loves you very much. Because you say, "Yes," to Him, even if you don't understand everything. My child, everything that's happening to you is the will of God the Father. I can feel the sufferings of your heart. The pain of being away from your loved ones, especially your children. But do not worry my child, time will come and that time will be God's time.

You will be joining with your children, with the help of my chosen child, who loves and listens to my beloved Son. He is my little child of charity. He has received the beautiful gift of charity. He has received the beautiful gift from my Son— the virtue of charity. Oh! how much I love him. I can see all the things he is doing for my Son. He is full of prayers and is always in adoration for my Son in the presence of the Holy Eucharist. He always listens to me. I love him dearly.

Everything that's happening to you, my child, comes from my Son, and you have to accept them with all your heart, and your rewards will come from heaven and from God the Father. You will receive the eternal joy.

I love you my children. I bless you in the name of the Father, Son and Holy Spirit. Good night. "

(6th Year Anniversary of Emma's Mission)

**Emma:**

During my sleep, I was sent to heaven and joined by three beautiful Carmelite Saints— St. Therese, St. Teresa and St. Magdalen de Pazzi. Then the Blessed Mother came and joined us with many angels. The Blessed Mother and the three Saints greeted me, "Happy Anniversary." I thank the Blessed Mother and The Three Saints. Then I greeted The Blessed Mother, "Happy Birthday."

**MESSAGE OF OUR BLESSED MOTHER**

"Today is the day for celebration of your 6th year Anniversary of Apparition together with the angels. In joining with us, GOD The Father is giving you HIS Blessings."

(Emma: I asked The Blessed Mother about the mission in the Philippines.)

"We are giving you the blessings for your mission in the Philippines for the poor, with my chosen children. There are so many souls that you will touch and you will make them happy, because they will feel your love, and your love is my Son's Love. You and my other children will share to many people the Love that my Son, Jesus gave you, and you will make them very happy. We are very happy for all your works, together with my chosen children.

During these six years of your mission, sometimes you become very weak, because of your problems in life; But because of our love for you, it makes you more stronger. For those people who ask for you and your prayers— We will let you feel in your heart, who are those people you are going to visit, to open La Pieta Prayer Group. And our blessing's upon you."

**MESSAGE OF THE THREE CARMELITE SAINTS**

"When you visit our Carmelite sisters in the Philippines, please give them our embrace. When you embrace them, it is our embrace that they are receiving. Tell them, we love them very much."

(Emma: Then I asked The Blessed Mother about Mother Teresa of Calcutta.)

**BLESSED MOTHER'S RESPONSE**

"Mother Teresa is very happy now. She is my little saint. When she was in her room, before she closed her eyes, there were many holy angels that came down and filled the whole room. And after she died, the holy angels lifted Mother Teresa up in heaven. She is praying for all the people on earth.

When you go down, kneel in front of the altar and give thanks to Our God The Father.

I bless you my child. Go and celebrate."

(After the celebration of the 1st Anniversary of the La Pieta Prayer Group of Ottawa, the Kingston and Toronto Group went to Divine Mercy Centre to stay overnight with the permission of caretaker Mr. Bill McEachern.)

**MESSAGE**

At 1:30 a.m., after everyone went to bed, Emma got up and kneeled in front of the altar with the life size picture of Jesus of Divine Mercy. The angel of the Eucharist, called Emma because it is time to received Jesus again in the form of bread (Host). We all woke up and followed Emma to the altar. Everyone witnessed the miracle of the Eucharists. The Angel of the Eucharist brought 20 Hosts for 20 people in the building. No one else can see the Angel, except Emma.

We saw Emma lift a file of white veil with both hands. She brought it down and then lifted it again. When she brought down the veils on altar table, we start singing O Sacrament Most Holy, O Sacrament Divine. Emma checked the file of veils. Underneath this veil, there were 10 Hosts, and underneath this 10 hosts there were 8 Hosts, and underneath this 8 Hosts, was 1 Host and on the last veil there was another Host, a total of 20 Hosts.

Everyone received a Eucharist, except for Mr. Bill McEachern, because we have problem waking him up. So Emma receive the Host for him, because the Eucharist can not wait too long, otherwise the Angel will take it back. Mr. McEachern felt so bad, missing the miracle of the Eucharist.

**At 2:15 a.m.:**

Emma got up from her bed, because she felt in her heart that she has to talk to Mr. McEachern. She talk to him for a few minutes and hold his hands and told him how much God loves him. When Emma went back to bed, Precy Obillo, noticed Emma's both hands are full of gold dust. And we saw them coming done too, and it's all around her bed.

Bill McEachern came to Emma and she gave him the blessings from Jesus and the Blessed Mother through her hands and touched Bill's forehead. Bill McEachern's forehead was covered with gold dust in the form of "E." Emma surprisingly cried, "Letter 'E' for Emmanuel!" and Bill start shaking and in tears.

**At 2:30 a.m.:**

Emma is still restless and she said, "It's not over yet." She can still feel something in her body. She lay down, closed her eyes and again she went into ecstasy. **Santo Niño** came and we are all so happy and excited. At first, He was a toddler and asked for milk. (We gave Him milk by spoon.) Few minutes later he started to get up and start talking. He was so happy while we were singing: 1. *O'Mahal King Niño* and 2. *Give Thanks*.

## Message:

**Santo Niño:** Good morning to all of you.

**Everyone:** Good morning too, Santo Niño.  
We love you!

**Santo Niño:** I love you, very much.

**Everyone:** Thank you, Santo Niño.

**Santo Niño:** My coming here is not my will, but my Father's will, who sent me. I come again to open your eyes, so you will see, to open your ears so you will hear, because what you see and hear now is the TRUTH.

[He was very playful in between messages. He played beautiful eyes, while we were singing "Jesus is Beautiful."]

I love you all my children. Sometimes you forget about me, but I still love you.

**Everyone:** Forgive us Santo Niño. We love you too.

### **Santo Niño:**

When you serve me, serve me faithfully and truthfully. Be truthful to yourself. Ask yourself if what you're doing is right, or is it justifiable. Because I want my servant to be faithful with a clean heart and mind.

You..... why can you not forgive? If you said you forgive your brothers or sisters, it should come from your heart and not just from your mouth. Because, if you keep talking about that person, then you haven't forgiven that person. You said you love me. How can you love me, if you can not forgive. Change yourself my children. Forgive— if you love me.

[Then He giggles and wiggles His feet.]

If I throw a stone up in the sky and hit someone, please do not be upset.

**Leonora:** She spoke to Santo Niño about her daughter Rosalie in Spanish.

**Santo Niño:** I love you! [With a big smile.] It is you and your other daughter, who is always with you, that I called to serve me. It is your prayers, that will bring your loved ones, closer to me, especially your little Rosalie. I can feel your heart, because your heart is in mine. I love you.

[Then Santo Niño, faced **Doug Norkum** and He said:]

**Santo Niño:** I love you, my child.

**Doug:** I love you too, Santo Niño.

**Santo Niño:** I love you all, my children. Like my child, Emma, she accepted me with all her heart and mine, and she receive my body and blood in the form of a bread, with so much love, because she loves me and I love her. I want you to love me, the way your sister Emma loves me.

[He giggles again.]

And for the caretaker of this place  
(Bill McEachern came forward.)

**Santo Niño:** Thank you, for looking after this place. I love you very much.

[Sol ask Santo Niño to look after Bill because he is always alone.]

**Santo Niño:** (to Bill McEachern) You are never alone here. I am always here. My eyes always look at you wherever you go. [Pointing at the picture of Divine Mercy.] Your guardian angels are always here. And my beloved Mother is always here. You are a good man. Always remember, I will always be with you till the end of time. And the graces you will receive will come from heaven.

**Mama Lisa:** Asked about the trip to the Philippines.

**Santo Niño:** The people that I called will be with Emma on this mission. And anyone who will be with Emma are chosen to be with her.

With Emma– I don't hear her praying for herself. She always prays for other people. But I know what's in her heart.

Love one another. Serve me faithfully, and graces will pour upon you from heaven, from my Father.

[With His voice failing, He said:]

I am leaving now, clean your hearts, open your eyes and ears.

**Everyone:** Good-bye Santo Niño. We love you!!

(Then Sto Nino gave all of us a beautiful eyes and said, 'I am beautiful.') My coming here is not my will, but my Father's will. So I could bring joy and make you happy. Thank you for loving me. Thank you for loving your brothers and sisters. Thank you for helping your brothers and sisters who are asking help for foods. These are my children who have problems and do not have food. [Yesterday, we distributed bags of food for the homeless.] Thank you— because you love me.

Thank you for opening your hearts. Before you cannot see me, but now you open your hearts and you can see me. Tell your sister Emma, thank you for inviting me. I have been waiting for her, but she is so tired as well as all her brothers and sisters. They are all so tired. But I will grant you comfort from your sufferings that doesn't come from here, but from heaven. For your brothers and sisters— take them to the right path. They are my children, my little children, my little children like me and also like Emma.

Thank you for gathering together that you can hear my call. My call that again you open your eyes, your ears— so you can hear my voice. Because of my voice and my words, you will take them to the right path and it will be your LIGHT on your journey.

You have brothers and sisters who have a hard time on their journey to see me. But you— you were chosen by God the Father because you are with my instrument (Emma). You are different from your brothers and sisters whose happiness is here on earth only, and not from heaven. I come here today to wish you all happy anniversary! You my child, who loves me (facing Andrea) and all of you, I will give you happiness. Happiness that comes from (heaven) where I am. Sometimes you listen to my words now then tomorrow you don't hear them any more. (Everybody asked for forgiveness.) Love has no reservations. If you love me, if you focus your love on me, no matter who is with you, you will love them too. Because, that is what I want to see in my children. You join together. Help your brothers and sisters who are lost.

Tell your sister Emma, not to get weak, because she can see many things on her brothers and sisters not only from this area, but everywhere. Tell her to pray for them, because I want her to help them to be free from the places of sins. Continue the missions you are doing now and I don't want you to turn your back on me. I want you my children to help one another, because my Mother will guide you, and I will guide you to the right path. Even your children, whom you love so much, I will guide them too. I want you to be faithful to me. Through your prayers, you will help your loved ones.

Sometimes, trials come into your life and I want you to be strong, because that is what is for you here on earth. But if you always focus on me your Lord, Jesus Christ, my Father will take care of the safety of your loved ones, at the right time. You don't need happiness here on earth. Your happiness will come from where I am. You my child are blest because you know me. You my children are blest because I know you. At the time of my coming, My Father who is the most powerful on earth will come down with me..... And I will take you with me.

I am so pleased with what you are doing, even if sometimes you forget your duty and it makes me sad. Sometimes I am so sad because you think bad about others. You said you love them, but when you see them, and when you hear something, you listen— then you get upset. I want you to love one another, because I love you. Continue your missions on earth, because I will be the one to guide your loved ones. Those who are on the wrong path, I will guide them and I will take them to the right path, so they could reach me.

Do not be so sad about them, but do all the duties you have to do, and if you can not do anything— I, your Lord, will take care of them. Sometimes, some of your loved ones become weak, because they can only see worldly things. Their eyes are blind and they can not hear my words. This is what they see— happiness on earth... and trials will come to them. I will take care of them, because that is what's written for them. Don't be sad. Offer all your problems in life— to Me (pointing at His Sacred Heart) and I will take care of your loved ones. Be faithful. Go and spread the good words.

(At this moment, someone asked a special blessing for Glen) " I love him (Glen). He is my faithful servant. When the time comes, that he will leave (earth) I will take him with me where I am, because he knows me— and I also know him.

"You are so blest my children, because you can talk to me through my instrument (Emma) that was chosen by my Father. You are so blest, because there's a lot of people on earth who can not speak to their GOD."

(Gilda asked a question) " That will come at the right time."

"I want all of you to join and be together in one place. You will be with your sister Emma for safety, safety at the time of my coming. What I meant is for you to love one another and be in my chosen place. Not only here where I chose to come, but every place Emma goes that I have chosen.
